GETTING STARTED WITH TESTGEAR

6. From the **testGEAR** home page, choose the exam you would like to prepare for.

7. Take the **BrainScan** diagnostic to assess your strengths and weaknesses.

8. After you finish the BrainScan, a **Smart Curriculum** will be designed for you. The Smart Curriculum helps you focus on the areas where you need the most practice.

9. The **Course Library** lets you choose from a menu of study activities that are organized by category.

10. Check out your **Progress Report** to see how you've scored on Practice and Full Tests.

TESTGEAR STUDY TOOLS

- **Practorials** demonstrate test-taking tips and tricks that will help you master the exam.

- **Microcourses** provide you with an interactive review of the skills tested on the exam.

- **Vocab Lab** is a game that allows you to earn points while building your vocabulary.

- **Practice Tests** let you try out the test-taking strategies and skills you've learned. You can take a practice test in Timed mode or work at your own pace in Learner mode. Learner mode lets you check your answers and see explanations as you go along.

- **Full Tests** simulate the actual exam. See how you'll do when you take the test!
